

“...the power of the people is the power of the future.”

"...we must now go forward with the preparation of the budget, so that we can have a balanced budget throughout the year, from minimum to maximum."

waters of the Island of Castellorizo.

the principles of the Convention should therefore be effected by agreement on the basis of this principle which acquires particular importance in enclosed areas.

In view of above, the relevant article of the said Greek law measure against the
infringement of the right to privacy.
