

## **KEY OUTCOMES**

## Support for international human rights mechanisms

In the context of COVID-19, the Human Rights Council and other international human rights mechanisms continued their work. The Council held special sessions on Afghanistan, Ethiopia, the Sudan, Ukraine and the Occupied Palestinian Territory; adopted the landmark recognition of the human right to

development and human rights from individuals all over the world warn us that our future must be a world anchored to the Universal Declaration of Human Rights. ""

Michelle Bachelet, High Commissioner for Human Rights
