Fiji's Intervention on funding for CB &TMT:

Madamme Facilitator, Fiji supports the submissions delivered by G77+China, AOSS and PSDS. Funding as a critical aspect of the anticipated IA and we propose that:

A sustainable and blended funding mechanism be established drawing from best practices from other instruments such as the GOF, GEF and ISA.

That a Voluntary trust fund to be established where all the monetary benefits from Access and Benefit Sharing from the use of BBNJ can go into and this fund can be used to fund CB and TMT needs of parties.
