2. With regard to Marine Genetic Resources (MGRs), we support the language that

~~contained in the draft text to restrict the states claim on marine genetic resources~~

3. The utilization of MGRs of areas beyond national jurisdiction shall be for the benefit of mankind as a whole. Therefore, monetary and non-monetary benefits arising from MGRs are distributed in a fair and equitable manner to States Parties.

4. We prefer no regulations with regard to the intellectual property rights in the new

Agreement. The matter should be dealt under the existing mechanism of WIPO to avoid duplication.

~~Establishment of Marine Protected Areas (MPAs) should be identified on the basis of~~
