Statement by the Under-Secretary-General of the United Nations, Office of Counterterrorism

/N) "4, as sought to enhance its cooperation with " ") and other partners within the /NI system, leveraging their expertise to strengthen our engagement with member states at the global, regional and national levels, as called for in resolution 2309.

For example, " ") was a key implementing partner in the "enters a (ance Passenger Information Project, which was completed in December 2019. This project was instrumental in raising awareness among member states most affected by the foreign terrorist fighters phenomenon on the use of advance Passenger Information data in stemming the flow of weapons, and further supporting them to develop national implementation plans.

Given the important role of " ") to the capacity-building work of /N) "4, we are currently developing a memorandum of understanding ()-180n eno ()-180(t) -2(o)20(s) -1(t) -2(r)3(e)4(
