Permanent Mission of Mexico

UN06523

The Permanent Mission of Mexico to the United Nations presents its compliments to the Division for Ocean Affairs and the Law of the Sea of the United Nations, and has the honour to refer to the 2017 annual firing practice programme for surface troops assigned to Pacific Ocean, Gulf of Mexico and Caribbean Sea coastal commands.

In this connection, the Permanent Mission is transmitting a note from the Naval Secretariat of Mexico in which it requests permission to make the arrangements necessary for the temporary suspension of navigation and right of innocent passage, as well as overflight above sea level up to an altitude of 2,000 feet, on the dates and in the firing ranges indicated in the attached document.

The Permanent Mission of Mexico to the United Nations takes this opportunity to convey to the Division for Ocean Affairs and the Law of the Sea of the United Nations the renewed assurances of its highest consideration.
