The first part of the document discusses the importance of maintaining accurate records and the role of the committee in overseeing the process. It also mentions the need for transparency and accountability in all actions taken.

### CONCLUSION

In conclusion, the committee has found that the current system is not fully effective and requires significant improvements. The recommendations provided are intended to address these issues and ensure a more efficient and reliable process.

The committee members are confident that these changes will lead to a more professional and organized operation, benefiting all stakeholders involved.

It is the hope of the committee that these recommendations will be implemented promptly and effectively. Further progress will be monitored and reported in future reports.
