

Thinking ahead for a sustainable, just & resilient recovery

Thursday, 28 May, 9:00– 11:30 am (NY time)

Join diverse thought leaders and practitioners to learn how stakeholders can leverage climate & SDGs synergies to recover better and stronger from the Covid-19 pandemic.

The webinar will be opened by

Mr. Liu Zhenmin,
USG for Economic and Social Affairs

&

Ms. Patricia Espinosa, UNFCCC
Executive Secretary.

All are encouraged to participate to share their experiences and exchange views!

Register by 25 May: <https://forms.gle/DGPuRbfFutV8EWy9A>

We also invite you to contribute your synergies-related insights & initiatives via our on-line questionnaire:
