**The 56th session of the UN Commission on Population and Development (CPD)
‘Population, education and sustainable development’
General Debate
Statement by the Delegation of Georgia
New York, April, 2023**

Mr. Chair;

Georgia aligns itself to the cross regional joint statement delivered by Argentina and now it is my pleasure to deliver this statement in my national capacity.

Let me start by thanking you and the other members of the Bureau for your guidance during the 56th

Excellencies

In conclusion, let me mention once again that halfway to 2080 in the midst of unprecedented challenges, the joint solidarity, effective cooperation and multilateralism is the only way left for achieving the vision of the 'Cairo Programme of Action' and the 2080 Agenda for Sustainable Development.

I thank you!
