   - Focus on ODA
   - Consolidate the costed components
   - Beyond the costed components

4. Summary of recommendations

ECOSOC decision of 2017

…..requesting the United Nations Population Fund, in consultation with the Secretariat, to prepare technical recommendations on a potential revision of the methods, categories and data sources used as the basis for preparing this report, as well as the future scope, format and periodicity of the report.

Challenges to Resolve

Weak national reporting

Overlap of Costed Components in SRH

Estimated "shares" – undermining replicability

Limited Scope – Only 4 costed components

This figure shows other categories of ODA reporting (OECD's Creditor Reporting System) highly relevant to the implementation of the ICPD Programme of Action.

Addressing basic social investments, governance, humanitarian, etc.

Challenge	Suggested response
Weak national reporting	Track ODA via the DAC data base; Reappraise every 4 years, and strengthen National Accounting capacity
Overlap	

Future reports focus on official development assistance, tracking resource allocations by Development Assistance Committee memb
