

**STATEMENT ON BEHALF OF THE GROUP OF 77 AND CHINA BY**

significantly affected. It is crucial that national governments strengthen their efforts in creating policies to promote and protect the needs of those in vulnerable situations.

Additionally, the need for greater access to education for young girls in developing countries is crucial for ensuring sustainable development, as it positively contribute to the decline of teenage pregnancies. Furthermore, the youth challenges such as unemployment, access to affordable quality education need to urgently addressed in order to effectively harness the demographic dividend.

Madam Chair,

Poverty eradication continues to be the biggest global fight, not only,

I thank you
