

**Statement of the Mission of Switzerland to the United Nations  
after the Chair withdrew her proposal for a resolution on the theme of  
“Realizing the Future We want: Integrating Population Issues into Sustainable  
Development, including in the Post-2015 Development Agenda”**

**Forty-eighth session of the Commission on Population and Development**

**New York, 17 April 2015**

Dear Madam Chair, Excellency

We would like to thank the Chair for the expressed during the  
Chair’s draft and are willing to join the consensus.

er guidance throughout the process and the calm and organized

s our sincere thanks to the facilitator Ruben Escalante, who  
n an excellent way and significantly contributed to a pleasant  
n room and to the outcome we hope to adopt today.
