Introduction

Mr. Chairman, PCRC is the Secretariat of the (NFIP) Movement. It is a Civil Society based Non

Decade for the Eradication of Colonialism.

Mr. Chairman, the 2 principal objectives of the African continent's historical self-determination could be achieved namely, "integration with the administering power, self governing with free association or **COMMUNITED AFFILIATION** with the administering power or full political independence." It is very plea to us, we believe they could be implemented across the board. Under the same criteria's and thanks to the hard work of this Committee of the former U
