CONFIDENTIAL

GOVERNMENT OF THE  
BRITISH  
VIRGIN  
ISLANDS

This document is the right direction despite the need for further work.

deadlines, and every effort is being made to accelerate the reform process while respecting

There are also very strongly held local views that the next round of constitutional advancement should not be cosmetic in nature, but rather should entail concrete constitutional changes in which the British Virgin Islands receive a greater role in the decision-making process.

In this regard, a Constitutional Review Commission was launched last year to consider next steps in the constitutional advancement of the Territory. Among other things, the Commission

2. The British Virgin Islands also requests the assistance of the relevant UN departments to assist the Territory Government with a local education commission or the setting of

achieving a full measure of self-government.
