STATEMENT BY BRUNEI DARUSSALAM
ON AGENDA ITEM 145: SCALE OF ASSESSMENTS FOR THE APPORTIONMENT OF THE EXPENSES OF THE UNITED NATIONS PEACEKEEPING OPERATIONS
9 OCTOBER 2012

I would like to add my voice to the statement made by the Philippines (on behalf of ASEAN) and Algeria (on behalf of G77 and China) on the issue of the methodology of the peacekeeping scale of assessment.

Mr. Chairman, there is pressure by certain countries to get rid of Level C of the peacekeeping scale and to graduate all developing countries that pass the per capita income threshold to Level B. The peacekeeping finance should take

special circumstances of developing countries, including those with high per capital income because of their small population.
