## Mr. Chairman,

3. The Group of 77 and China support efforts by the Secretary-General to
improve human resources management. We know that the efficient and effective
delivery of the UN mandates hinges on the quality of its staff and the availability
of resources. We therefore support reforms that contribute to a highly motivated,

Organization more effective, representative, transparent, accountable, and responsive to the needs of the Member States.

4. While we pursue reform, staff welfare must remain a central consideration
