

Concerning the consolidation of recurrent (m) support costs under the 0213415 ( ) 6+ proposed budget, the Advisory Committee notes that (m) and other enterprise systems such as i) eed are used by all #ecretariat entities and stresses that such costs should be shared in a transparent manner across all user entities and funding sources. It trusts that details on a #ecretariat\$wide cost recovery framework for (m) and other enterprise systems hosted by the # ! ITT will be provided in the conte%t of the ne%t progress report on the implementation of the ICT strategy. The Committee also stresses the need to establish a comprehensive performance management framework for the delivery of #ecretariat\$wide ICT services with clear lines of responsibility and accountability, as well as for measuring the quality of the services provided and the levels of customer satisfaction across all #ecretariat entities.

Concerning the #ecretary\$ ! eneral\*s proposals on the Tenant (nits, pending clarification on a number of issues discussed in its report on the peacekeeping support account, the Advisory Committee is recommending against relocation of the Integrated Training #ervice to 7ntebbe and abolishment of the related . posts at ( ) 6+.

Concerning scalability, the Advisory Committee recogni"es the differences in the nature of the activities of the 8regional #ervice Centre in 7ntebbe and those of ( ) 6+, and notes that any scalability model developed for ( ) 6+ must take into account the specificities of its activities, operational environment and many other factors. The Committee encourages the #ecretary\$ ! eneral to continue to focus on the development of a scalability model for ( ) 6+ that allows adaptation of the level of its own capacities to the e%ansion and contraction of the overall volume of peacekeeping activity of the (nited ) ations.

9inally, Mr Chairman

The Advisory Committee\*s recommendations on the #ecretary\$ ! eneral\*s proposals regarding posts and positions, consultants, official travel, ac uisition of vehicles and replenishment of # / # would result in an overall reduction of -0.5 million to the proposed budget of ( ) 6+ for the 0213\$15 period.

Thank you, Mr Chairman.
