session. We are confident that under your leadership, the Fifth Committee will achieve consensus on all the important issues facing us at this session.

In this connection, Indonesia has some observations that we hope can be constructive for the discussion.

First hudgoting is an of the important instruments for land the it

organization priorities into actions and to measure accountability and performance in implementing actions. Efforts to streamline program planning and budgeting should aim to achieve a more effective and efficient organization in delivering mandates on the ground.

Second, securing the highest standards of efficiency, competence and integrity are personal destinations in the considerations in the consideration in the considerati
