

In relation to the funding challenges faced by the international component, the Committee notes the cost saving measures taken and trusts that the impact of such measures will be kept under review to avoid any detrimental effect on the expeditious completion of cases

Finally, Mr Chairman, in view of the projected funding shortfall in the international component for 2020 the Committee recommends that the General Assembly authorize the Secretary General to enter into commitments in an amount not to exceed \$7 million to supplement the voluntary financial resources of the international component for 2020 as a bridging financing mechanism

Thank you, Mr Chairman
