14th December 2020

5. Coming to the activities of the mechanism, the Group commends the efforts of the Mechanism and the key stakeholders that facilitated the arrest of Mr. Felicien Kabuga who has been on the run for more than 20 years.
6. The African Group is pleased to note that the Mechanism continues to maintain a sound financial and cash position. The Group also notes that the proposed budget for 2021 amounts to 97.2 million US dollars, reflecting the same level of resources approved in 2020 .
7. The Group is concerned that resources allocation in relation of the Kabuga case is not duly reflected in the proposed budget for 2021. Moreover, The Group is concerned by that are mandated for Arusha. The group will seek to understand the rationale behind such budgetary allocations.

Mr. Chairman,

8. The African Group would like to stress that Mr. Kabuga presence in The Hague was supposed to be a temporary arrangement and, we therefore expect that he will be soon transferred to Arusha to face his trial accordingly, as this would enable parties and stakeholders, including witnesses, the opportunity to participate in the judicial proceedings.
9. As reiterated by the chair of the G77 and China, the Group also notes the proposed changes related to the narration of the Objective on Registry component. The Group will seek clarification for changes in paragraph 25 of the proposed budget, in line with commends and recommendations of ACABQ on this matter.

10. The group also stands to understand the issue on delegation of authority, the Assistant Secretary General and Head of the Mechanism being in our understanding of the
- “Delegation of authority in the administration of the staff Regulations and Rules and the Financial Regulations and Rules, the incumbent of the said delegation of authority.*
11. Turning to the long-standing matter on the Mechanisms support to the Residual Special Court of Sierra Leone, as per our previous remarks, the African Group continues to be of strong view that, as part of the sustainable solution is to house the Court in Arusha facilities while ensuring the independence of each of the entities and therefore, we look forward to updates on the matter in the context of our informal consultations.
12. With regard to the comments and observations of the Advisory Committee, the African Group strongly supports the need for presentation of the sound nationalizations of posts and position in all branches, while keeping the Mechanism a small and an efficient entity. We will be examining to what extent this can be achieved and will present a proposal for the first step in the nationalization of post and position in the context of our informal consultations.
13. The group will also examine in details the implementation of previous decisions of the General Assembly related to staffing and recruitment, including the adherence to the principles of gender balance and equitable geographical representation.

Mr. Chairman,

14. In conclusion, allow me also to join others in thanking Mr. Olufemi Elias, the outgoing Registrar for his excellent service to Mechanism. We also take this opportunity to welcome Mr. Abubacarr Tambadou the new Registrar and we look forward to extending our support in delivering his given mandate.
