

3 July 2024

Excellencies,

We have the honour to address you in our capacity as **Co-Chairs of the Intergovernmental Negotiations** on the question of equitable representation on and increase in the membership of the Security Council and other related matters to the Security Council (IGN) during the 78th session of the General Assembly.

We thank all delegations for their constructive spirit and engagement throughout the negotiations on the input of the IGN to be submitted to the Co-Facilitators of the Summit of the Future for inclusion in Chapter V of the Pact for the Future. Throughout this process, delegations have engaged in good faith and in a spirit of cooperation and mutual trust. We are truly grateful for all the support!

We listened carefully to the different views expressed during the last IGN meeting on Thursday, 20 June 2024. Based on this feedback and after careful considerations and consultations with Member States and Groups of States, we have the honour to circulate the revised version of the language on Security Council Reform to be included in the **Pact for the Future**. We intend to **submit this version to the Co-Facilitators of the Summit of the Future**, based on the understanding that it enjoys the widest possible political support. As you may be aware, it is unfortunately possible to include requests, however, is based on the view that the best compromise achievable, striking a fair balance between the various positions expressed in the framework of the IGN.

We are soon going to send **another letter the President of the General Assembly, H.E. Mr. Dennis Francis**, with the account of our activities as Co-Chairs and the work of the IGN during the 78th session, including the final version of the Revised Co-Chairs Elements Paper. The President of the General Assembly will then soon announce the date of the oral decision to roll over the activities of the IGN to the next session - still during the month of July.

Let us thank you again for the excellent cooperation and constructive spirit throughout this process.

Please accept, Excellencies, the assurances of our highest consideration.
