Regional Commission	Type	Name	Description
ECLAC	Publication	<a href="#">People of African descent and COVID 19: unveiling structural inequalities in Latin America</a>	This document analyses the specific situation of Afrodescendent populations and the effects that COVID-19 might be having on them, based on updated empirical data and an ethnic/racial, generational, territorial, rights-based and gender approach.
ECLAC	Publication	<a href="#">The recovery paradox in Latin America and the Caribbean Growth amid persisting structural problems: inequality, poverty and low investment and productivity</a>	This Special Report examines the economic and social impact of the COVID-19 pandemic, more than a year after it first appeared, providing new growth estimates. It analyzes the performance of the CEP main economic and social indicators and presents policy proposals for achieving a transformative recovery based on the forging of a new development pattern.
ECLAC	Publication	<a href="#">The impact of COVID-19 on indigenous peoples in Latin America (Abya Yala): Between invisibility and collective resistance</a>	This document provides an overview of the situation of indigenous peoples in the region in the face of the COVID-19 pandemic. It analyses both the impact of the pandemic and the role of indigenous peoples, offering a set of recommendations to rectify the neglect of these peoples in the management of the pandemic, centring on their collective rights.
ECLAC	Publication	<a href="#">Non-contributory cash transfers: An instrument to promote the rights and well-being of children with disabilities in Latin America and the Caribbean</a>	

ESCAP

ECLAC	Publication	<a href="#">Hyperfortunes and the super-rich: why a wealth tax makes sense</a>	This article proposes a model to estimate the wealth of the richest groups in society and to design an efficient wealth tax system. For design and implementation issues, it reviews comparative international experience and provides an analytical discussion of the effects of a wealth tax, reviewing main criticisms that orthodox economists have levelled against it.
ECLAC	Publication	<a href="#">Building a New Future: Transformative Recovery with Equality and Sustainability</a>	This document, presented by the Economic Commission for Latin America and the Caribbean (ECLAC) to its member States at its eighty-first session, argues that Latin America and the Caribbean is in a position to move towards a social and environmental policies capable of driving a recovery with equality and sustainability and relaunching development in the region.
ESCAP	Publication	<a href="#">Inequality of Opportunity</a>	This series of LNOB policy papers explore available data by thematic areas to identify those groups that have been left furthest behind in a range of thematic areas across Asia and the Pacific. Using the Classification and Regression Trees (CART) methodology and other analytical tools, the papers reveal gaps between those who have access to basic opportunities and services, and those who don't.
ESCAP	Publication	<a href="#">The Impact of COVID-19 on South East Asia</a>	The report is part of a series of policy briefs issued by the United Nations to examine the sectoral and geographical dimensions of the COVID-19 pandemic across the world.
ESCWA	Publication	<a href="#">Capacity building toolkit on the analysis and measurement of socioeconomic inequalities in the Arab Region</a>	Examines the developed initiative for analyzing and measuring socioeconomic inequalities in the Arab countries based on the principles on which social justice is founded, which include rights, equality, equity and participation, which are considered the basic pillars of national development plans and policies.
ESCWA	Publication	<a href="#">The impact of Covid-19 on Gender Equality in the Arab Region</a>	This report includes proposals on formulating consistent policies and programmes for the short and long term, as part of an urgent regional response to mitigate the impact of the COVID-19 pandemic.

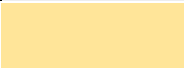

opportunities to lead a life they value

ESCAP	Publication	<a href="#">Leaving no one behind: A methodology to identify those furthest behind in accessing opportunities in Asia and the Pacific</a>	This paper proposes a methodology that governments and stakeholders can use in their countries to operationalize the LNOB pledge in a way that enables and accelerates national progress to achieve the Sustainable Development Goals (SDGs).
ESCAP	Publication	<a href="#">Reducing inequality in FEALAC member countries: Innovative analysis to guide policymaking that leaves no one behind</a>	This document presents a methodology to examine inequality and identify the furthest behind in five selected indicators that are related to the Sustainable Development Goals in 23 FEALAC member countries: 8 countries in Asia and the Pacific, and 15 countries in Latin America and the Caribbean.
ESCAP	Publication	<a href="#">Social Development Working Paper on 'An Emerging but Vulnerable Middle Class: A Description of Trends in Asia and the Pacific'</a>	This paper examines the extent to which economic growth in Asia and the Pacific has translated in an increasing middle class.
ESCAP	Publication	<a href="#">Inequality of Opportunity in Asia and the Pacific: Financial Inclusion</a>	This paper explores gaps between groups in access to financial services measured by ownership of a bank account.
ESCAP	Publication	<a href="#">Inequality of Opportunity: Who Are Those Left Behind in Nepal?</a>	This paper explores available data from Nepal to identify those groups that have been left furthest behind in a range of indicators.
ESCAP	Publication	<a href="#">Inequality of Opportunity in Asia and the Pacific: Reproductive Health</a>	This paper explores available data from Nepal to identify those groups that have been left furthest behind in a range of indicators.
ESCAP	Publication	<a href="#">Tools for Leaving No One Behind: Measuring inequality of opportunity and identifying the furthest behind</a>	Two innovative methodologies, the classification tree analysis and the D Index help policymakers measure inequality in access to basic services and identify the furthest behind in relation to opportunities such as education, decent work and nutrition.
ESCWA	Publication	<a href="#">Rethinking Inequality in Arab Countries</a>	This report fills knowledge gaps about inequality in the Arab region, using a multidimensional approach that focuses on three dimensions: Health, education and living conditions.
ESCWA	Experts Meeting	<a href="#">Expert Group Meeting on Multidimensional Inequality in Arab Countries</a>	This technical meeting aims at presenting the findings of the report named 'Rethinking Inequality in Arab Countries' and providing a comprehensive description and analysis of inequality in Arab countries across spatial, economic, gender and social aspects and its evolution since the 2000s, in addition to the narrative of the political economy drivers of inequality which aims to identify and chart out remedial policy actions.
ECA	Experts Meeting		

ECE	Round table	<a href="#">Towards a World of Equal Opportunity Tackling inequality caused by exclusion and discrimination</a>	Meeting addressed multistakeholder collaboration to combat inequality and provided a learning space for people to share their experiences and opinions.
<b>2018</b>			
Regional Commissions (joint)	Publication	<a href="#">Promoting equality. An interregional perspective</a>	The report synthesizes regional findings on the adverse social, environmental and economic consequences of inequality and stress that promoting greater equality through adequate social protection, health, education, labour and fiscal policies not only helps to safeguard the economic, social and cultural rights of all people, but also fosters growth, development and greater social justice.
ECLAC	Publication	<a href="#">The inefficiency of inequality</a>	This report analyses and measures the productivity and income effects of unequal access to health and education, as well as the consequences of inequality of opportunities arising from gender, race, or ethnicity-based discrimination.
