responsibility

Mr. Chairman,

Portugal would like to begin by thanking the Secretariat for its "*Report on Responsibility of International Organizations*" as it allowed Member States to have a clear overview of the iudicial practice on this subject. Still, we would like

to suggest to the Secretariat the inclusion of relevant dissenting opinions in

future reports.

Mr. Chairman,

The General Assembly is, once again, called to adopt a position on the draft

Articles on the Responsibility of International Organizations.

Mr. Chairman

International Organizations. Otherwise, the work initiated by the Commission on international responsibility risks becoming a never ending story. We cannot
