AMERICAN OVERSIGHT

It is the mission of American Oversight to ensure that the Federal Government is open, transparent, and accountable to the people. We are committed to the principles of the Freedom of Information Act and the right to know.

Our work is focused on the areas of national security, civil liberties, and government operations. We believe that a free and open society is essential to the well-being of our nation.

STATEMENT OF

Mr. [Name]

Mr. Chairman,

I am pleased to have the opportunity to testify before you today.

Thank you.

Respectfully,

Article 31. We are pleased that the commentary extensively explains, among others, that the

conclusion should not be read as taking any position regarding the appropriateness of a more contemporaneous or a more evolutive approach to treaty in general.

With regards to the topic "identification of international law". Indonesia would like to thank the
