ΠĪ.

Another longstanding issue to examine is the endemic and age-old problem of foreign invasion and occupation and what it has brought in its wake. The seventy-year state <u>of occupation of Palestine is the most pressing</u>. This has been further compounded by the

systematic political and military foreign interventions in our region in order to preserve and create their desired regional arrangements.

Mr. Chairman,

The Islamic Republic of Iran, as victims of terrorism in the past and today, have always been and will always remain at the forefront of genuine confrontation with terrorism. Last

The Islamic Republic of Iran has also signed mutual legal assistance agreements and MOUs with more than 40 countries in which the freezing of crime-related funds and assets have been addressed. In all of these bilateral agreements, the possibility of any judicial cooperation, exchange of information, and necessary coordination is stipulated; terrorist crimes are also covered by such cooperation measures. ٤
