

Sixth Committee (Legal questions)

**Debate on the work of the International Law Commission and the
Report of the International Law Commission**

October 28 to November 6, 2019

**Sea-level rise in relation to international law
Statement by Canada**

Thank you very much, Chairperson.

Canada greatly appreciates this important opportunity to participate in meetings

In closing, Chairperson, Canada wishes to express our gratitude to the International Law Commission for its work throughout the year, and to reiterate its support for the work of the Commission on sea-level rise.

Thank you very much, Chairperson.
