

International Law Seminar 2024

# Mediation of disputes involving States : evolving practices and future prospects

International Law Week of the Sixth Committee  
(Legal) of the United Nations General Assembly, the Singapore Mission  
International Law Week of the Sixth Committee  
law seminar. In keeping with our past events, a distinguished panel of  
speakers will explore a topical question of international law of interest  
to States, international organisations and businesses, judges,  
practitioners and academics.
