Jordan has the following comments on Cluster

In the Preamble, we reiterate our support for the principle of solidarity ~~express~~ concern that the draft articles do not explicitly incorporate specific obligations on States capable of providing relief assistance. Therefore, we would like to see this principle G [(M) to be reflected as a duty.

We welcome that the draft articles apply to disasters regardless of their origin and that includes what is referred to as ~~natural and humanmade disasters~~ natural and humanmade disasters.

Moreover, we reiterate that international cooperation among States and relevant entities for disaster protection is a cornerstone of the convention

With respect to Draft Article 1, we emphasize the importance of addressing not only the stage during a disaster, but also the pre-disaster and post-disaster stages. Such a holistic approach is essential to ensure that States are sufficiently prepared to respond to disasters and manage their aftermath effectively.

Furthermore, Draft
