

**(Agenda item 86)**  
**Working Group**  
**Recommendation of the ILC**

*9 October 2024*

---

*(check against delivery)*

Madam Chair,

As we mentioned in our plenary debate, the challenges posed by natural

As we had the opportunity to discuss in the working group this week, Brazil believes the articles require some adjustments. In particular, it is crucial to strike the right balance between the need to protect affected persons and the fundamental principles of sovereign equality and non-intervention.

The need for amendments notwithstanding, my delegation considers that the draft carefully
