**Agenda item 86: Protection of persons in the event of disasters  
Working Group, ILC Recommendation**

**Statement by: Delegation of the Federated States of Micronesia**

**New York, 9 October 2024**

**Check against delivery**

avoid weakening existing obligations of States under international law, such as obligations to address root causes and adverse impacts of climate change. We are confident, however, that a treaty-making exercise will aid in sharpening this discourse in a positive and constructive way, building on the work done in this Working Group and the broader S
