1. Mr. Angiolo Rolli has submitted an application for revision of Judgment No. 2019-UNAT-952 that the United Nations Appeals Tribunal (Appeals Tribunal) issued on

8. On 15 April 2019, Mr. Rolli filed an appeal before the Appeals Tribunal. He requested the Appeals Tribunal to rescind the decision to summarily dismiss him and order his reinstatement. He also requested three years' net base salary for material damages, and two years' net base salary for moral damages, and sought costs, a reference letter, and withdrawal from his personnel file of all adverse material related to his termination.

9. In Judgment No. 2019-UNAT-952, this Tribunal decided to remand the case to the JAB in terms of Article 2(3) and Article 2(4)(b) of the Statute of the Appeals Tribunal for reconsideration in accordance with the directions in paragraphs 33 and 34 of the Judgment. Its considerations read as follows:¹

15. The WMO, therefore, requests the Appeals Tribunal to reject Mr. Rolli's application for revision.

Considerations

16. Mr. Rolli asks this Tribunal to revise the Judgment delivered on 25 October 2019. The Tribunal's power to do so lies in Article 11(1) of the Statute of the Appeals Tribunal, and Article 24 of this Tribunal's Rules of Procedure.

17. These provisions are reproduced below, respectively:

Article 11
