
UNITED NATIONS DISPUTE TRIBUNAL

Case No.: UNDT/NBI/2017/032
Order

Introduction

1. The Applicant is a staff member of the United Nations Human Settlements Programme (UN-Habitat).
2. On 27 March 2017, she filed an application for suspension of action (SOA) challenging the implied decision to separate her from service upon the expiry of her contract.
3. The application was served on the Respondent on the same day.
4. On 28 March 2017, the Applicant filed a motion withdrawing her application in view of the fact that on the same date, she received evidence which satisfied her that the Respondent had complied with its obligation to extend her contract; she had withdrawn her request for a management evaluation request and pursuant to the withdrawal of the management evaluation request, the legal basis for her SOA application has been rendered moot.
