

**Third International Conference on Financing for Development, Addis Ababa,
14 July 2015**

Statement by Estonia

Delivered by Mr. Väino Reinart, Undersecretary for Trade and Development

Minister of Foreign Affairs of the Republic of Estonia

results. When we met in Monterrey Estonia was still a country in transition. Today we are among the high income countries and are committed to helping others transition as successfully as we have.

- 3) Implementing such a complex, broad and far-reaching agenda requires effectively mobilizing all resources available. We will need to tap into all funds, public and private.
