Informal interactive dialogue

An informal interactive dialogue will be held on Thursday, 8 December, from 3 to 5.45 p.m., on the theme "The link between financing for development and achieving the internationally agreed development goals, including the Millennium Development Goals", in Conference Room 4 (NLB).

The informal interactive dialogue will be open to participation by representatives of all Member States; 15 representatives of observers, relevant entities of the United Nations system and other accredited intergovernmental organizations; 5 representatives of accredited civil society organizations; and 5 representatives of accredited business sector entities. Each representative may be accompanied by one adviser. No list of speakers will be established. Each statement should be limited to three minutes, although this will not preclude distribution of more extensive texts.
