## 2) - Long-Term Debt Sustainability

Ministers note the new long-term debt sustainability analysis framework for low-income countries designed by the Bretton Woods Institutions, and welcome the improvements made in its design in recent months. Nevertheless, they recommend:

 greater ownership of the framework by debtor countries, by conducting analysis for themselves and defining their own sustainability indicators. This should be done in a They recommend that this facility should be disbursed much more rapidly and flexibly than funding from existing anti-shocks mechanisms.

Finally, Ministers welcome the joint efforts of the donor community and devs min
