

**Talking Points on behalf of the Group of 77 and China at the drafting session on the Elements/ Building Blocks for Financing for Development, 28-30 January 2015.**

**V. TECHNOLOGY, INNOVATION AND CAPACITYBUILDING.**

1. Although we would have preferred to consider this element/building block through the lens of “international technical cooperation” as was the case in the Monterrey Consensus, we recognize that ***technology, innovation and capacity building*** are key drivers in the eradication of poverty.  
**However**
