

Concept Note for Side Event

21 April 2015 - 13:00 to 15:00

United Nations, First Avenue and 46th Street, New York

Objectives

This event will explore and define opportunities to promote a broader role for new actors and approaches in financing sustainable development, including the Sustainable Development Goals (SDGs), which will be discussed by all governments in September 2015. These new actors include philanthropy and social investors, and new modes of collaboration that blend their investment and efforts with those of governments and intergovernmental bodies. The event will follow up on the Second C

In the coming years, new actors will bolster their
