

**NATIONAL REPORT TO THE TENTH SESSION OF THE UNITED NATIONS  
FORUM ON FORESTS**

## **Introduction**

1.

26.9 million are suitable for the production of com

11. In 2011 revision was made to the Regulation of the Law of Forestry and Wildlife (2002). The review focused on: a review of the penalties of forest and wildlife offenses; revision of rates of logging; revision of the model of exploration under a simple license (without management plan), regulation of matters re

16. The Ministerial Diploma which will allocate 50% of the values from the fines paid by the laws breakers to the law enforcement agents and all those who participated in this process was prepared and is being implemented allow

which contribute to achieve the important objective of the Government of Mozambique, which is the poverty reduction.

22. Decree 12/2002 restricts the export of round timber species first class, forcing its local processing, which increases the possibility of more jobs in the country.

23. Approved law overvaluation of the wood and its respective regulation. The
