Never:

**Question D2** If you participated in GEFN capacity building/training workshops, did forest financing improve for your country as a result? If yes, how did it improve?

Never:

**Question D3** Was your country able to develop or update its forest financing strategy with the support of the GEFN?

We have not received GEFN support.

**Question D4** What funding sources have you targeted for forest financing with the support of the GEFN and how successful were your efforts?

We have not received GEFN support.

### **E Questions related to the trust fund for the United Nations Forum on Forests**

**Question E1:** What are the contributions of your country/organization to the UNF trust fund?

China has contributed more than US\$22 million to the UNF Trust Funds since 2012.

**Question E2** What is the impact of voluntary contributions to the UNF trust fund on supporting the core activities of the UNF?

Contributions from the UNF Trust Fund have significantly enhanced the capacity of the UNF Secretariat to carry out its responsibilities, particularly in supporting the participation of developing countries in UNF activities and in enhancing forestry financing capacity.

**Question E3** What are the options to encourage sustained and adequate contributions to the trust fund?

Formulate and publicize, annually, planned activities and funding gaps in accordance with the mandates of the UNF Secretariat and UNF resolutions; Report the effects of contributions, and design targeted activities taking into account donors' priority areas.

**Question E4** What are the key challenges and constraints with regard to mobilizing adequate resources for the trust fund?

Forests and forestry are not currently a priority area for most countries, and the weak global economic situation has led to a decline in the willingness of countries concerned to contribute to the Trust i
