**UNFF Intersessional Activities on the International Arrangement on Forests
Format for Soliciting Views and Proposals on the International Arrangement on Forests
United Nations Forum on Forests Secretariat
July 2013**

1. According to the multi-year programme of work adopted in 2007, the overall theme of the eleventh session of the United Nations Forum on Forests (UNFF11) in 2015 will be “Forests: progress, challenges and the way forward for the international arrangement on forests (IAF).” At this session, the Forum will review the effectiveness of the IAF and decide on its future.¹

2. In preparation for UNFF11 in 2015, the Forum has made a number of decisions during the last fourteen years.² Most recently, Member States through Resolution 10/2 of UNFF10 decided to undertake several intersessional activities to ensure UNFF11 has a strong basis to review the effectiveness of the IAF and make a decision on the future of the IAF.

3. One of the three components of the intersessional activities on the IAF, as outlined in Resolution 10/2 of UNFF10, is to solicit views from Member States and other relevant stakeholders on the IAF. Specifically, the Resolution invites countries, the Collaborative Partnership on Forests, its member organizations, other relevant organizations, relevant regional and subregional forest-related mechanisms, inst9(e)-2()#]Wÿ ›F â0 g q 0 0.000018 m 0 792 l 611.999986 792 l 611.999986 0.000018 l W n 99.810596 Tz BT /F2 9 6
