**UNFF Intersessional Activities on the International Arrangement on Forests  
Format for Soliciting Views and Proposals on the International Arrangement on Forests  
United Nations Forum on Forests Secretariat  
July 2013**

1. According to the multi-year programme of work adopted in 2007, the overall theme of the eleventh session of the United Nations Forum on Forests (UNFF11) in 2015 will be “Forests: progress, challenges and the way forward for the international arrangement on forests (IAF).” At this session, the Forum will review the effectiveness of the IAF and decide on its future.<sup>1</sup>
2. In preparation for UNFF11 in 2015, the Forum has made a number of decisions during the last fourteen years.<sup>2</sup> Most recently, Member States through Resolution 10/2 of UNFF10 decided to undertake several intersessional activities to ensure UNFF11 has a strong basis to review the effectiveness of the IAF and make a decision on the future of the IAF.
3. One of the three components of the intersessional activities on the IAF, as outlined in Resolution 10/2 of UNFF10, is to solicit views from Member States and other relevant stakeholders on the IAF. Specifically, the Resolution invites countries, the Collaborative Partnership on Forests, its member organizations, other relevant organizations, relevant regional and subregional forest-related mechanisms, institutions, instruments, organizations and processes, major groups and other stakeholders to submit views and proposals to the Forum’s Secretariat on the six key issues set out in paragraph 5 of the same resolution, and the full range of options on the future international arrangement on forests. The UNFF Secretariat should provide the compilation of these views and proposals to the first meeting of the ad hoc expert group (AHEG1) on the IAF<sup>3</sup>.
4. This format has been prepared by the Forum’s Secretariat to facilitate submission of the inputs on the IAF to AHEG1. The electronic version of this format is available at:
