

Check Against Delivery

Speech: Africa Regional Review Meeting in preparation for LDC5 Session 1 – Ministerial Dialogue:
Lessons learned and building back better
UNDP Administrator Achim Steiner
22 February 2021

Opening

Vice-President of the Republic of Malawi, Honourable Dr. Saulos Klaus Chilima,

It demonstrated that the greening of economies is a new engine for growing wealth, increasing decent employment, and reducing persistent poverty.²

At present, UNDP is helping to insert the “DNA” of a green economy into all COVID-19 recovery and

4. *The Digital Transformation*

UNDP is also helping countries across the world to take advantage of the power of the ongoing digital transformation.⁵

Through initiatives like our UNDP Accelerator Labs, UNDP is working with communities in 116 countries to surface
