

14 May 2021

Excellency,

I have the honour to refer to the High-level Thematic Debate on Digital Cooperation and Connectivity, held on 27 April 2021, under the theme “Whole-of-Society Approaches to End the Digital Divide”. Following requests from Member States, I have decided to reconvene a meeting of the Assembly on Monday, 24 May 2021, in the morning, in the General Assembly Hall at the UN Headquarters, to continue the high-level meeting to allow all remaining delegations who have previously inscribed in the list of speakers to make pre-recorded or in-person statements. Further details on the time of the meeting will be communicated in the Journal. The list of remaining speakers is attached.

I thank all delegations for their engagement and contribution to this high-level meeting.

Please accept, Excellency, the assurance of my highest consideration.
