

Stakeholder presentation at the United Nations Ocean Pre-Conference 2/4/20

April Peebler, Founder and Exec Dir of nonprofit NGO Heirs To Our Oceans (and at this Pre Conference also representing UNA of San Diego)

The targets guiding the advancement of SDG14 — such as reduction of marine pollution and

way, to preserve our Blue Planet. But unlike science, education has not been prioritized, and it is an action item.

We respectfully request the following action items:

(1) Quality education, as defined above, s a prioritized target to achieve a healthy and safe
