**Preparatory meeting for  
Implementation of Sustain  
oceans, seas and marine res**

**Statement by the Micronesi**

**New York, 4 February 2019**

Co-facilitators,

I first like to congratulate y  
cohosting the Conference. I  
and AOSIS.

My delegation is generally  
respective titles but in the di  
this respect we hope that they

- a stock take on the imple  
in 2020;
- the interplay between the
- how science and technc  
fisheries challenges to ur  
low cost;
- how the traditional know  
reinforces and interacts  
sustainable use of the Oc
- and
