

UN-Energy Meeting (technical level)

25 September 2024, 08:45 – 09:45 EST (NY Time)

211 East 46th St, New York (hybrid)

SUMMARY

1. Welcome

This UN-Energy meeting took place at the margins of the ENERGYNOW SDG7 Action Forum 2024. At the beginning of the meeting, the Secretariat highlighted the recent publication of the

approach to discussing on the one hand, the implementation of the current SDGs, and on the other hand, post-2030 arrangement, as to prevent the dilution of ongoing efforts while preparing for the next steps.

Transitioning beyond 2030:

It was noted that we must start working on a UN-Energy Action Plan Towards 2030 immediately, taking into account the lessons from the implementation of the current UN-Energy Plan of Action.
