ANNEX 4

INTEGRATED ACTION PLAN FOR THE SOCIAL INTEGRATION OF GYPSIES

Axis 1: Structures

**Housing (YP.ES.D.D.A.):** Permanent residence for all Greek Roma, and improvement of their living conditions. The housing actions eligible to be implemented are divided into permanent and temporary ones (with prospects of permanence).

**B) Construction of whole settlements or/and purchase of building plots in the framework of organized housing building implemented by the Municipalities of the country. More specifically, by means of:**  
free and with full ownership yield, of municipality and community estate ensuring the minimum specifications to build houses by Local Government Organisations (O.T.A.).  
**II) Housing actions of temporary character aiming at the improvement of living conditions in the existing settlements till the achievement of a sustainable solution of permanent housing rehabilitation.** (translocation of temporary settlements, building health structures, civilisation and education structures, etc.).

Axis 2: Services
