disadvantage and social exclusion. To address the barriers facing parents and women ¥

	Australia strongly endorses the Monterrey Consensus and the Paris Declaration on Aid Effectiveness. Australia's gender policy is firmly grounded in the principles in the Paris Declaration – ownership, alignment, harmonization, managing for results, and					
	Paris Declaration - ownership, alignment, narmonization, managing for results, and					
	mutual accountability.					
	In March 2007 Australia released its aid program gender policy "gender equality in Australia's aid program: why and how?". The policy aims to improve the economic
