Mr. Chairman, As already stated, Malta is fully committed towards the development of the status of women in all spheres of life which aim to embrace equality and a true partnership between men and women in the sharing of responsibilities including those appertaining to families, careers and decisionmaking. Malta strongly believes that this position protects and consolidates such a partnership through the promotion of the right values of personal development for both men and women thus prosting what we haliave as the right relamedal for our suspent and future somewhere

It is in this spirit and conviction that Malta intends to work within the European Union and with other UN Member States towards the empowerment of women and the achievement of gender equality in all spheres.

Therefore the second se
