STATEMENT BY

SUSAN TRUPPE, M.P.

Canada's Parliamentary Secretary for Status of Women

Madame Chair, distinguished delegates:

As Canada's Minister for Status of Women, I thank you for the opportunity to address the 57th session of the Commission on the Status of Women.

Our discussion on eliminating and preventing violence is an important one.

There are daily news reports of women's and girls' rights being violated across the globe.

This is unacceptable.

Women and girls have the right to live free from abuse.

Madame la Présidente, distingués membres de la délégation,

En qualité de ministre de la Condition féminine du Canada, je tiens à vous remercier de me donner la chance de prendre la parole à cette 57^e session de la Commission de la condition de la femme.

Notre discussion sur l'élimination et la prévention de la violence est importante
